**There is a woman who is possessed by a female jinn; when the female jinn is struck, she refuses to leave the body of the Muslim women. In this situation, can we set fire to it so that it will leave the Muslim Woman's body?**

Answer:

It is strictly forbidden to set fire to her, because only Allaah can punish someone with fire.

May Allaah Almighty guide us, and may His peace and blessings be on our Prophet Muhammad *Salallaahu alayhi wa sallam*, on his family, and on his Companions.
