بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

ABOUT SHAYKH AHMAD MUSA JIBRIL

Sheikh Ahmad was born in the United States, and spent part of his childhood in the city of Madina in the Kingdom of Saudi Arabia when his father, Sheikh Musa Jibril, was a student at the Islamic University of Madina. It was there where Sheikh Ahmad also became Hafidh al Qur'an at the age of 11. Sheikh Ahmad then spent the rest of his younger years back in the United States graduating from high school in 1989. Thereafter, he studied at the Islamic University of Madina as his father did, and graduated with a degree in the Shari'a. He returned to the United States and finished his JD/LLM (masters of law) degree from Michigan law schools. May Allah (azza wajal) reward him and his family. Ameen.

PREFACE

This book is a compilation of tweets from Shaykh Ahmad Jibril from his twitter account @ahmadmusajibril. Not every single tweet has been included but efforts were made to try to include as many as possible. To keep with the theme of Twitter the timeline shows new to old tweets.

I (the compiler of the book) would consider myself to be a student of the Noble Shaykh and amongst the many things I learnt from my great teacher is to keep secrets between yourself and Allah. The Shaykh recommended that I put my name on the work so that people would continue to make dua for me for years to come but I ask that anyone who benefits from this book makes dua for the "brother that compiled the book". After all, Allah knows who I am and as long people keep reading and spreading the book the reward will continue to multiply for me, the Shaykh and those who benefit from the work.

The inspiration of this work came from an appreciation of the wisdom that the Shaykh spreads to the world despite being limited only to 140 Characters.

Please feel free to share this work with your family, friends, neighbours, work colleagues etc and most importantly read, understand and seek to implement the Twitter Gems in your own lives.

Imams didn't become so through knowledge alone! Sincerity, steadfastness during trials & secrets behind closed doors while others are asleep

Today many cannot even fathom the worship of the Salaf due to idleness and sins that eradicated the blessings from the lives.

At the age of 80 Imam Ahmad lowered his daily rakaat(units) from 300 to 150! We find it burdensome to do 12 a day to get a palace in Jannah

Reciting & contemplating a Koranic verse is like a piece of sweet in your mouth, the more U chew on it the more U extract of its sweetness

Imam Ahmad narrated that Maimoon Bin Mahran said: Do NOT enter upon a women alone, even if you are claiming to teach her Quran!

Ahmad narrated that Maimoon Bin Mahran sd: Don't try yourself by entering upon rulers even if you claim it's to order them to submit to Allah!

Proclaim the truth backed by the Quran & Sunnah, and never be silent through fear. It is cowardly and slavery, not to speak that truth.

Imams go in and out of trials and prisons while the others go in and out of mansions and 5-7 star lecture halls and hotels.

{Murjia'a rejects of the west} & {modernist} are among the most who rejoice at the suffering and imprisonment of Muslims.

Imam Ahmad responded to a question about Alharawy saying he is "filthy". They asked why? He said (Those who follow the leaders are filthy)

Ibn Abdel Albar in AlTamheed said: Imam Malik said: {Allah is in the heavens} but his knowledge encompasses everything.

Many follow AbuHanifa in his fiqh yet leave behind his aqeedah such as his belief that Allah is above the creation/Take his Aqeedah on that!

In the book AlSunnah 4 Alkhallal: Imam Ahmad passed by the grave of the Ma'moon(leader during his time) & said This is the grave of a Kafer.

Hadth: A women went hell for imprisoning a cat! Imagine the destiny of those who torture and imprison the people of La ilah illa Allah!

Allah the almighty creator divided his creation into a (Kafir) and a (Believer), who are the creation to innovate a 3rd Category?

Dividing people into (Kafir) & (Believer) is the rule of Allah (He the one Who created you, some of u r Kafirs & some are Believers)64:2

Glad tidings to 1 who leaves the Dunya before it leaves him, prepares for his grave before he enters it, & pleases his Lord b4 he meets Him

Wealth, kids, and deeds follow the dead to the grave. We focus on 1st two that return and not on the deeds that remain w. one in the grave.

{Middle East & North Africa} Top two regions globally with the fastest growing HIV epidemic - That's what looking up to the west brings.

Reading surah #112 Al-Ikhlās alone is 670 deeds! {Total letters w/ bismillah 67x10=670} It could tip the scale when u desperately need it!

{Quran} tranquility/brightness/guidance/reward & speech of Allah to you - Do you take time out to read & listen to it on a daily basis?

Seeking recognition & honor from the UN is a dishonor! Seeking victory through the UN is defeat! Allah Honored with Islam!

A stubborn oppressor is unlike an ignorant one who has those to justify it for him. Allah is just that's why he may give the 2nd more time.

Some adopt wrong opinions not because it's strong to them, but because they're defeatist looking to ascend on anything to elevate themselves

{Murji'a rejects in the west} When Prophet got degraded it's total silence. When a corrupt leader is mentioned they bark like mad bull dogs

The Prophet kept saying BE DIFFERENT! 'than other faiths'; [pro-interfaith] say BE LIKE other faiths! Who do you listen to?

Reminder: Did you say(Astaghfer Allah) today? The Prophet SalahAlahuAlehWaslam would have said it 70 to 100 times by now. Every single day

Saeed Bin Jubair(Tabi3y) better than all of us, made dua against "AlHajaj" who was a more honorable ruler than any of the rulers of today!

Making dua against unjust rulers is not against the sunnah! The prophet himself made dua' against unjust rulers who make matters difficult

When they stand for hours, nights & days on black Friday to save a few perishable \$\$\$'s; stand before Allah to earn the everlasting Ferdous.

When they could not take Muslims out of Islam they implanted the modernist to take Islam out of the hearts leaving them like a hollow shell.

Instead of Thanksgiving day dinner have a 'Ashura'a iftar gathering. Avoid the prohibited celebration and get the everlasting reward!

The Ideal believer bears the trials of life with reliance on Allah, acceptance, dignity, and patience, making the best of all circumstances.

Some want to speak & solve the Fitnah between Ali and Muawieh(Radia Allahu Anhum) yet can't even solve their own marital & personal problems

Some Rabbis said "We must learn from the Syrians how to slaughter our enemy"; Didn't Ibn Tamieh say Alawy/Rafidies are worse than the Zionist

After Imam Malik was imprisoned & tortured he sd.:(There is "no good" in one who does not suffer harm and go through trials in this matter)

Be the righteous wife - forgive and overlook your husband errors. Once you do, don't reheat his sins for breakfast, lunch and dinner.

The ultimate tragedy is not the oppression and cruelty of the Zionist but the silence over that by the Muslims.

If you can't speak and stand with the truth, then at least don't clap for the evildoers.

If you are alone solid on the truth, you are in fact a (nation) and a (majority) with Allah on your side. Ibrahim was a one man nation16:120

If your Koran has dust on it - chances are your heart & life have the same on them!

If you were given time off from work for voting, go spend it wisely in tranquility with Duhaa salah - better than this life and what's in it

The days are now very short so FAST Mon, Thurs, & more; The more u fast the further u will be from hell, the higher you will be in heaven.

After death everyone will go to Allah by force; The victorious winners are those who go & submit to Allah during this life by choice,

Even though Jummah is not required upon those who prayed the eid salah! (Thuhr) salah is still required by consensus and without a doubt.

Jummah prayer is not required if it falls on a day of eid, if one performs the eid prayer. Imam still holds Jummah for those who missed eid

(Duaa' for others is better than duaa' for yourself). You get the same with an angel saying ameen!

They claim Sharieh is not suitable for our time! So why does Isa come at the very {end} of time to rule by the Sharieh of Allah?

4 those who don't gossip-Prophet said:(no one covers the faults of another except that Allah will cover his faults in the lifeafter)-Muslim

When you return home from a difficult day turn to Allah SubhanuWatala and don't take it out on family members that had nothing to do with it

If you can't do extra deeds(pray, fast, thikr, recite koran, chairty..etc) in these blessed days, then the least of it is not to commit sins

Forgive others so that Allah will forgive you!! Allah said:(Pardon and forgive. Do you not love that Allah should forgive you?)64:22

(Salaf) hid their deeds except in very rare circumstances to get reward from Allah; (Today) they tweet them & get the reward from people !

Some of the youth today exercise and weight lift yet when the call for fajr comes they can't lift the blanket off their heads.

(Prophet compared a palm tree to believer) impurities around tree need to be maintained as it's growing otherwise it dies like tawheed.

(Prophet compared a palm tree to believer) Leaves of a palm tree don't fall like the supplication of the believer never go unanswered!

(Prophet compared a palm tree to believer) Every single part of a palm tree is used and is useful in someway or another like a believer.

(Prophet compared a palm tree to believer) healthy palm trees produce dates throughout the year like the deeds of a believer going to Allah.

(Prophet compared a palm tree to believer) tree does not live everywhere-some places w good fruit-some w/o fruit-some w sour fruit like eman

(Prophet compared a palm tree to believer) palm tree is a (very) firmly rooted in the earth and that's the eman of the believer in his heart

(Prophet compared a palm tree to beleiver) both need to nourishment to survive; (water) for the tree; (Quran and sunnah) for the believer.

(Prophet compared a palm tree to beleiver) 1 way they resemble is-its leaves r firm when it gets windy - like a believers faith in hardships

What difference does it make whether Mursi or Mubarak rule? oppression is the same and most importantly Sharieh was not chosen to rule.

In Shia's #1 Reference Alkafi 1/426 Alhassan spoke 70 million languages! Yet they put doubts in how Abu Hurairah could memorize 3000 hadith!

If merely letting a brother down in a time of need is a major sin! Then imagine how sinful it is would be to turn on him and betray him!

After the Arabic Spring is the Islamic/Tawheed Spring that will bring justice to humanity inshalla-We fling the Truth against falsehood21:18

Mursi refuses to shake hands w/ Clinton in public but does so behind closed doors! (He forgot-Allah sees what's behind the closed doors)

Wallahi! The republicans nor democrats will fix the the economy. Something from Allah can only be patched by him, once the war on him stops.

A man told Wahib ibnl Munabeh:(someone spoke ill about u); Wahib:(Didn't the devil find a mail carrier other than you?)

A man told Alhssan Albasry I heard you have been backbiting me? Alshassan:(U would never reach a level where I would give U any of my deeds)

If a brother or sister you befriend annoys you, just remember the many days he or she pleased you; you will never find an infallible friend.

Allah called messengers in the Koran by their names directly except Muhmmad who was called by his qualities in love, honor & respect to him!

Allah called messengers in the Koran by their names directly except Muhmmad who was called by his qualities in love, honor & respect to him!

Your eman/faith in Allah can never be complete unless you love the Prophet Sallah Allahu Alieh Wasalam "more" than you love your "own" self!

The more they try to defame our Prophet dead & alive the more supreme and honorable he and his message becomes! He is sweet dead and alive.

Criticize the USA - they label you a terrorist! Criticize, mock, and ridicule our beloved Muhammad and it's freedom of speech!!

Sins are placed on ones head & shoulders when he begins his salah & they start to fall off as he bows & prostrates (authentic hadith)

Consistent nightly Qiyam is a sign that ur status w/ Allah is good inshallah; because only special ones get those private meetings w/ Allah.

Lack of success during the nights in Qiyam/Tahajjud with Allah results in lack of success with worldly matters during the day.

Stay at it! Take advantage to the last minute! Ramadan does not end until sundown tonight!

Sahabah used to ask Allah for 6 full months after Ramadan that he accept their deeds during Ramadan.

Salaf used to strive hard to do the good deeds; after that they become concerned and worried if Allah will accept it or not!

Some of the Salaf had a list of 70 names they would make dua'a' for in their night Qiyaam one by one.

Make dua'a' for Muslim prisoners in USA and all over the world. You can't imagine the nightmare they and their families go through!

Sufian:(When night falls I get happy! When Daylight breaks I get sad); he wanted to spend more time with Allah in his nightly prayer.

About to give up on Taraweeh? Remember the man whose sins of the past and the future were forgiven did this every night of his life!

Take Advantage of these nights its never too late. Ibn Taimieh: It's not how things begin it's the ending that really counts!!

Companions thought giving their lives was a cheap price to pay for Jannah! Today merely praying 5 times a day has become too expensive.

If there is a deed you can't do then at least honor or help those who can.

Prophet supplicated against one whose sins are not forgiven in Ramadan b/c of the many extra opportunities for forgiveness ! Take Advantage!

There is not a single (authentic) hadeeth on the appearance of the so-called "(Sufyani)" at the end of time which many are talking about!!

Giving a greeting for the start of Ramadan is (not)Bidah! The Prophet greeted! Ibn Rajab, Alsuyooty, Ahmad, Shafeey and others permitted it.

In USA go to Umrah or Egypt, have few drive-by conversations w/ cpl. of Shyookh and return a Mufti;(ignorant heads the Prophet told us about

Allah "((promises))" to respond to our Duaa' right before we break our fast! Take advantage and don't miss out only 28 more times to go!

Many Islamic scholars came from Burma; Shiekh Muhammad Ayoub in Medina University & led in Alharam in Medina taraweeh is from Burma!!

Just because in Burma they are not Arabs it does not mean we neglect them! They are our Muslim Bro&Sis facing a genocide!! Duaa for them!!

Some of the Salaf if U were tell them they would die the following day, there would be no more room of Ibdah they can add in their schedule.

In Ramadan: Alshafee recited the Koran 60 times, Al-Aswad 30 times, Kutadah every three days, Malik pauses teaching and only recites Koran

When ones devil is shackled in Ramadan yet he is evil or worse during Ramadan, then he is worse than his own shaytan!!

Some scholars sd. it's b/c only the heads of Shyateen are shackled! others sd. even if all were the human-self is inclined to evil in itself

If the devils were shackled Thurs. night and throughout Ramadan, why are there still sins in Ramadan? (answer is in the following tweet) 1

Saudia apprehend Shia head Nimr Alnimr after disrespecting the royal family, but for years prior it was not a crime that he degraded Sahabah

Ramadan starts on the night before the first day! Don't miss out! - May Allah accept your worship and grant you many more blessed Ramadans!

Make A (written) ledger for your sins and deeds; do more deeds and repent from the sins(daily) so you can meet Allah with a clean slate

Alfudail:(If you do not pray during the night and fast the days then know Allah has deprived you of those honorable deeds due to your sins)

Mujahid said:(He who does not repent every morning and evening has oppressed and wronged himself)

There is no sin too big, there is no sin too small Allah the Ghafoor forgives all! The best way to welcome Ramadan with a warm repentance.

When an evil is public! one refuses to recant! & it affects Muslims, then it is permissible to (publicly) denounce it if not a must!!

AlAsdy“Some of you give fatwa in issues that if it were to arise during the time of Umar he would gather the heroes of Badr to get an answer

Alnakh3y said:(They used to look at a mans character, prayer and status before they learn or take from him!!)

They flock to learn from a 'Daieh' who likes to give his Islamic lectures in a USA flag(cap) on his head. Where's the wala' and bara'?

After verse 58:22 IbnTaimieh Sd:Allah informed us that A believer never loves a non-believer, therefore whoever loves them is not a believer

IbnRahawieh:(Whoever leaves the salah purposely with no legitimate excuse until it's time expires is a kafer)#2

IbnRahawieh:It's authentic from the Prophet that one who leaves salah is a kafer! It's the opinion of Ulamaa from Prophet's time until today

Malik :(Whomever innovates in this religion has claimed through his action that the prophet sallah allahu alieh wasalam deceived this deen)

Prevention of evil eye is to say when one sees what they like(May Allah Bless_____) "Allahuma Barak Lahu" NOT Mashallah as many or most say.

The scholars who praise & give commitment to (Al-Saud) will be the first to denounce their prior evil at their certain & imminent downfall!!

Sufian Thawry:(Ones"knowledge" shouts & calls out for "action/application" if it responds it remains if not knowledge moves away)

Last(Entire Chapter/Surah) revealed of the Koran was Alnsr#110.

Fatiha#1 is the first surah revealed in the Koran complete as an entire chapter".1st verses of Al-Alaq#19 were the first "verses" revealed

Words(establishing prayer)is different than order to(pray)b/c it includes more meanings like fulfilling its rules regulations &congregation2

In 8 different verses Allah mentioned "perform/establish your prayer"(Waqemo asalata)and not once did he say directly the word Pray(sallu)?1

Continuous trials/adversity/and afflictions in life are a sign that u are honorable&special to Allah. U R being treated like his messengers.

(it is more fitting that they should please Allah and His Messenger if they are believers)5:62(2)

Scholars who aim to gain followers/please the Kuffar/satisfy the public at the expense of Islam have the characteristic of the hypocrites(1)

May God reward all the calamities the best .. as difficult as they may get .. I thank it only because it taught me my friend from my enemy!!
