Question: Is a person who believes that someone other than Allaah is managing the universe considered a Kaafir (disbeliever)?

Answer: Whoever believes this is considered a Kaafir, because he has associated partners with Allaah in His Lordship. He is even worse in disbelief than many of the Mushrikoon (those who associate others with Allaah in worship) who set up partners with Allaah in His Divinity.

May Allaah grant us success. May peace and blessings be upon our Prophet Muhammad, his family, and Companions.
